Felicitations From The Patron

To be a premier institution of education requires more than just a proud tradition and a long history. To be a leading light means that we can never rest on our laurels-as abundant as they may be.

In the past few years we have taken stock of how far we have come and made concerted efforts to chart the course for the future. It seems that young people today need to be equipped with so much more than the knowledge that was sufficient for our forefathers.

As our world gets smaller, and competition more intense, we are more than aware that the leaders of tomorrow must now be ready to lead not just their country, but be visionaries for the world.

Some fundamentals however do not change. Teamwork, fair play and competing with integrity are the hallmarks of real leaders. Where better way to learn them than on the playing field?

I am informed that the objective of the inaugural MCKK Premier 7s Tournament is to raise the standard of rugby not just in MCKK, but also throughout the country, by providing an arena for the highest standards of the game to be pursued. I commend the Organising Committee for their "big vision", and trust that this tournament will become yet another key component of the proud tradition of MCKK.

Congratulations! Let the Games Begin!

Duli Yang Teramat Mulia, Raja Muda Perak Darul Ridzuan, Raja Dr. Nazrin Shah Ibni Sultan Azlan Muhibbuddin Shah

Kata-kata Aluan

Ketua Pengarah

Pelajaran Malaysia

Pendidikan sebenarnya melebihi bidang daripada penyediaan anak didik dengan gambaran, fakta dan angka. Tugas seorang pendidik adalah untuk melahirkan individu yang seimbang, berkemahiran untuk berjaya pada hari ini dalam dunia yang kompetitif.

Di Kementerian Pelajaran, kami amat percaya bahawa pendidikan di Malaysia sentiasa meningkatkan kemampuan untuk membangunkan potensi diri secara holistik dan mampu menginterasikan bidang yang pelbagai. Hasrat ini adalah untuk melahirkan warganegara Malaysia yang berpengetahuan, berdaya saing, bertanggungjawab, mempunyai nilai murni yang tinggi dan berupaya untuk mencapai kejayaan di peringkat tertinggi di samping mampu memberikan sumbangan ke arah keharmonian dan kesejahteraan keluarga, masyarakat dan negara.

Salah satu kunci untuk mencapai hasrat murni ini adalah dengan peranan sukan. Kecemerlangan sukan ini dapat dicapai melalui murid-murid yang terdidik dalam etika, peraturan permainan, keadilan, kesungguhan, semangat kerjasama dan jati diri yang unggul.

Oleh yang demikian sekaliung tahniah dan penghargaan kepada pihak penganjur, yang saya difahamkan terdiri daripada ahli-ahli Persatuan Bekas Murid Tua Kolej Melayu Kuala Kangsar, yang menganjurkan Kejohanan Premier Ragbi 7 sebelah sebagai satu usaha yang aktif bagi melibatkan pembangunan generasi muda dan memberikan peluang kepada mereka untuk bermain dalam permainan yang berprestij dan mencapai kecemerlangan sukan.

Pada kesempatan ini, saya ingin mengucapkan selamat berjaya kepada semua peserta kejohanan, dan seikhlas hati berdoa agar kejohanan ini akan meniti kesinambungannya pada masa akan datang.

Majulah Sukan Untuk 1Malaysia.

Congratulatory Message From

The Perak State Education Director

As the first fully residential school in the country, Malay College Kuala Kangsar is not just an educational institution in Perak Darul Ridzuan, but is part of its history. The notables who have passed through its portals are too numerous to name here.

It has been responsible for the education of not just the nation's aristocracy, but young men who have gone on to serve the country in a variety of ways. Part of its tradition has always been an emphasis on excellence, particularly on the sports field.

Once more, MCKK is leading the way with the Inaugural MCKK Premier 7s Tournament during which schools from all over the country and neighbouring countries will come together to enjoy not just the hospitality of the school but also the State Government.

I congratulate the Organising Committee for undertaking this generous initiative, which will not just foster goodwill, fair play and sportsmanship but also showcase the best the Silver State has to offer.

The State Education Department is honoured to support this event and are confident that this event will become a showcase event on the school sporting calendar. We wish participants all the best for the tournament.

Salam Sejahtera and Welcome to Perak Darul Ridzuan.

Message From

The President of MCOBA

Asalamualaikum warahmatullah hiwabarakatuh,

I am deeply touched by the response of our title sponsors DIGI Telecommunications Sdn Bhd, MCOBS, the Ministry of Education, the Malaysian Rugby Union, the local authorities, and friends of MCOBA in making the MCKK Premier 7s Rugby Tournament a success.

The tournament, under the Patronage of His Highness the Raja Muda of Perak, is expected to be an annual affair held in Kuala Kangsar with the event on the 26th and 27th of February 2011 being the inaugural tournament.

The MCKK-MCOBA 'love affair' with rugby started in 1956 when an Irish teacher, later to be its Headmaster, Mr Neil. J. Ryan initiated the formation of a rugby team in MCKK. The team later known as the 'MCKK All Blacks' became the backbone of school rugby in Perak and the country with the Old Boys of the Malay College Kuala Kangsar, later forming the majority of players and coaches in the Malaysian National fifteens and clubs.

Rugby in MCKK and amongst the Old Boys was not only a sport but was considered part and parcel of the training and education tradition of the College to mould leaders and gentlemen of character and sportsmanship based on the spirit of the game.

The increasing pressure to achieve academic excellence in later years especially in the 1990s, has somewhat affected this aspect of training and education resulting in lesser attention to sports.

MCOBA's intention in reviving the game of rugby is to create a new awareness of the value of the game not only for MCKK but also other Premier Schools in the country. Hence, MCOBA has formed the 'All Blacks Revival' (ABR) Committee to revive the game and to bring back the awareness of rugby as a positive tool for human development.

The 'MCKK Premier 7s' Rugby Tournament is one of the efforts of the MCOBA-ABR committee and MCKK to bring about this renaissance and since the tournament involves 24 Premier Schools it is a good beginning towards achieving the objective.

The Tournament is also geared to make Kuala Kangsar, the quaint Royal Town, in mid-Perak, into a hub of school rugby and perhaps encourage the other schools in the area to revive their teams. The MCKK Premier 7s Rugby Tournament will initiate this move and it is hoped that the carnival atmosphere planned for the event will draw the people of Kuala Kangsar and the surrounding areas to participate by watching the games and the festivities associated with it.

Finally, I would like to thank all the sponsors who have contributed generously to the event. Special mention must be made of the Minister of Education, YAB Tan Sri Muhyiddin Yassin, and the Ministry of Education, for their wholehearted support and contribution.

To the ABR Committee and MCKK under the stewardships of Encik Zain Yusof and Principal Anand respectively, syabas and well done.

Salam and FIAT SAPIENTIA VIRTUS.

President, The Malay College Old Boys Association*

Message From

Principal

Malay College Kuala Kangsar

It is my honour, on behalf of everyone at MCKK, to welcome all players and officials, both local and abroad to this inaugural MCKK Premier 7s Rugby tournament.

The hosting of this maiden tournament comes at a time when the Education Ministry is aggressively promoting students' active involvement in various forms of sports in school through the 1Student 1Sport programme. While sports in general can promote healthy lifestyles, participation in competitive team sports, like rugby, can kindle and nurture among all involved a lifelong journey of friendship and enjoyment.

As the host, I greatly appreciate the extent of effort that has gone into the preparation of this Inaugural Tournament. This is the product of coordinated hard work by MCOBA's All Blacks Revival, under the Chairmanship of Mr. Zain Yusoff and conducted in harmony with the dedicated MCKK staff, under the direction of Mr. Ahmad Badri Abdul Manaf, together with critical assistance from the various local authorities and departments.

Away from the playing field, the grace and guidance of His Royal Highness The Crown Prince of Perak Raja Nazrin Shah also warrants special mention. The co-operation, energy and commitment by everyone involved has been most encouraging and bodes well for the future of rugby in MCKK.

On the playing field, we look forward to a competitive yet sporting participation by everyone in attempting to achieve the aims and values once promoted by Mr. N.J.Ryan, the MCKK Headmaster who was instrumental in developing this game back in the 50s and 60s. Hence the challenge trophy is named after this iconic figure.

Let us all share the satisfaction of contributing to the common objective of participating in a tournament from which we can all take pleasure with a sense of attainment and pride.

Chairman

All Blacks Revival - MCOBA

The All Blacks Revival (ABR) is one of the sub-committees of the Malay College Old Boys Association (MCOBA). Its main task is to bring back the rugby glory of the Malay College Kuala Kangsar (MCKK) of the late 50s and the early 60s. As one of its programmes, ABR Committee decided to organise an annual 7-a-side rugby tournament for top playing schools. It is intended to be the school rugby 7s tournament in the country.

The Challenge Trophy, the N J Ryan Trophy is named after Dato' N J Ryan, who in 1956 introduced rugby to MCKK. He later become the College headmaster

from 1959 to 1965. He now resides in Melbourne, Australia. We thank the Merdeka Boyz (Form V, 1957) for kindly donating the trophy.

Against the above background, we have managed to secure the support of the old boys, the Principal, staff and students of MCKK, corporate bodies, Kuala Kangsar local authorities and the local folks of the royal town. We salute and thank them for their support.

MCOBA and ABR are indeed very honoured to have the His Royal Highness, Raja Muda Perak Darul Ridzuan, Raja Dr. Nazrin Shah ibni Sultan Azlan Muhibbuddin Shah as Patron of this Tournament and for graciously hosting a dinner at the Grand Palace. His Royal Highness is also the Chairman of the Board of Governors of MCKK.

On behalf of MCOBA and ABR sub-committee, we wish to welcome all participants, supporters, old boys and spectators to this Inaugural Tournament and look forward towards an exciting and competitive support. We hope the games will be played in the highest spirit of true sportsmanship and may the best team win.

A special mention goes to DiGi for undertaking to be the Title Sponsor for this event. Support from corporate giants like DiGi add our confidence and motivate us to give our best for the tournament. We would also like to thank all our Sponsors who have generously contributed to this event.

For those visiting Kuala Kangsar for the first time, this will be an opportunity to see the heritage buildings of MCKK and the scenic beauty of the Royal town.

The expected large turnout of supporters and old boys from schools all over present an excellent opportunity to make new friends and renew old friendships, which in turn will strengthen social and business networks in the future.

Have a great rugby weekend and happy spectating.

*Mohd Zain Yusoff
Chairman All Blacks Revival - MCOBA*

DiGi Telecommunications

We are proud to be the Title Sponsors for the Inaugural MCKK Premier 7s Rugby Tournament 2011 and share in the philosophy of this event and its aspirations for the youths.

To me, this tournament is all about going the extra mile together as a team. To win, requires great preparation, knowledge of our opponents, perseverance and most importantly, the challenger mentality. These are qualities that will both revive the tradition of rugby and inculcate the spirit of sportsmanship among our participants.

As such, I believe this tournament is a constructive platform for youths to demonstrate their capabilities and expand their horizons, and this is exactly where DiGi wants to be – in an activity that encapsulates the DiGi spirit of being a challenger and one that resonates strongly with youths and what they are passionate about.

I would like to take this opportunity to thank the organisers, the Malay College Old Boys Association (MCOBA) and the Malay College Kuala Kangsar (MCKK), for inviting us to participate and sponsor this sporting event and also, for sharing our spirit.

To our young participants, you are the reason we are here. We saw the opportunity to provide an avenue for you to exhibit your determination; your spirit of camaraderie in victory and in defeat; and your unyielding resolve in competition and challenges.

This is your chance to shine and I wish you all the best – you are already winners in your own right!

Again, we are glad to be part of the Premier 7s and look forward to a good weekend of high quality rugby and excellent sportsmanship.

Thank you.

The College

History of Malay College Kuala Kangsar

On the 24th of February 1904, Mr. R. J. Wilkinson, then the Inspector of Schools wrote to the Malay Rulers on establishment of a special residential school at a suitable locality in the Federated Malay States for "the education of Malays of good family and for the training of Malay boys for admission to certain branches of Government Service."

The Rulers actively supported the recommendation and within a year, the Malay Residential School of Kuala Kangsar was established on the 2nd of January 1905.

Mr. W. Hargreaves left his post as Headmaster of Penang Free School to be the first Headmaster of this new fully residential school which initially only had an enrolment of 8 students. The Straits Echo of 15th April 1905 reported that the pioneer batch of 40 boys were housed in dormitories in Mr. Hargreaves' rented house, while others were placed in small houses which formerly housed Malayan Railways clerks. Classes were conducted by Mr. Vanrenen in a fowl house.

By the end of that first year permission was given for the construction of a permanent school building. Completed on 9th May 1909, the Big School was officially opened by the Sultan of Perak and the name of the school was officially changed to The Malay College Kuala Kangsar.

The mandate for the school was expanded to "educate and train the sons of Malays and of the Raja and higher class on the lines of an English Public School and be fitted to take a share in the Government of their Country."

From these illustrious beginnings, MCKK has grown from strength. It has educated the country's leading civil servants, statesmen and Kings, fulfilling its promise to be "the Eton of the East."

Life at the School

While the original students at the school were sons of the aristocracy, the school has moved with the times to admit students on merit. Today, boys from all over the country, who have completed their primary education can apply for a place at MCKK.

Admitted at the age of 11+, the boys arrive at the school and are allocated a "Rumah" or house, which takes its colour from the school crest and is named for the Founding Sultans of the Federated Malay States. Sulaiman (represented by the color red), Ahmad (black), Mohd Shah (yellow) and Idris (white). The four houses compete with each other every year in almost every kind of sports. The competition between the four reaches its peak during the School's Sports Day.

Over the years the school has also grown in size with the addition of the Prep School in 1912. The East and West Wings, the Administration Block and the Clocktower were added in 1955 and two new hostel blocks, the Pavillion and New Hostel were added in 1963 and 1972 respectively.

In addition to their academic pursuits, students today are exposed to a variety of experiences and activities including understanding of other cultures via trips to neighbouring countries, and can undertake a range of sporting and intellectual activities.

It can be said that no student ever really leaves MCKK. Its dynamic Old Boys Association (MCOBA) continues to play an active part in the activities of the school, sharing knowledge, experience and opportunities with the younger generation.

The school celebrated its Centenary on 26th March 2005 when it was declared a national heritage by the Yang di-Pertuan Agong Tuanku Syed Sirajuddin Syed Putra Jamalullail who attended the Centenary Celebrations.

In May 2007, the Ministry of Education recognised MCKK as a cluster school. In 2010, MCKK was declared as a Premier School.

Royal Town of Perak

Kuala Kangsar

The name Kuala Kangsar is believed to be derived from 'Kuala Kurang-Sa', which literally means '100 minus one', usually interpreted as 'the 99th tributary to flow into the Perak River. Kuala Kangsar has been a royal seat for the Sultans of Perak since the 18th century. It was established by Sultan Yusuf Sharifuddin Mudzaffar Shah of Perak (1877 to 1887), who built his first royal palace, the Istana Sri Sayong on the banks of the river. The Perak royal mausoleum or Al-Ghufran Royal Cemetery, which is the final resting place of several Rulers and members of the Perak aristocracy was also established here.

The first Conference of Rulers, the Durbar, was held here in 1897.

The precarious position of the Palace resulted in it being subject to frequent flooding. One such flood threatened the very foundation of the Palace. Finally, after the Big Flood or Bah Besar in 1926, a decision was taken to move the palace. A temporary palace called the Istana Kenangan housed the royal

family while the new residence was being completed. Built entirely of wood, it is said to have been constructed without the use of a single nail. The current Royal Palace named Istana Iskandariah, which was completed in 1933 features Art-Deco architecture.

The town is also the site of the first rubber tree planted in Malaysia by English botanist Henry Nicholas Ridley who was responsible for introducing and promoting rubber as a cash crop in Malaysia. The tree still stands today.

Early students at MCKK would have observed the construction of the Ubudiah Mosque with a sense of wonder. Commissioned in 1917 by the 28th Sultan of Perak, Sultan Idris Murshidul'adzam Shah I who vowed that he would build a mosque as thanks for recovery from an illness. Popular legend has it that construction on the mosque was delayed several times, once reportedly when fighting elephants smashed the Italian marble used for construction. Sadly the Sultan did not live long enough to see the mosque completed.

Kuala Kangsar is also known for its gastronomic delights. While several places in Malaysia can boast about their laksa, 'Laksa Kuala' is unique for having noodles made from wheat flour as opposed to rice flour. The town is also famous for its ikan patin, which is prepared with gulai tempoyak (fermented durian). If you have a sweet tooth look out for the kueh labu (pumpkin cakes) and kueh apom which is still made in the old fashioned way. The one 'delicacy' which almost 99.99% of MCKK students 'adore' and crave till this day is the pau from the one and only Yut Loy Restaurant located on the main street of Kuala Kangsar.

Architecturally unique, majestic, and full of intriguing mystery and with great food to boot, it is no surprise that MCKK boys become so attached to their home away from home.

The MCKK All Blacks

"The whole point of rugby is that it is, first and foremost, a state of mind, a spirit." - Jean-Pierre Rives, French rugby legend.

The field lies quiet in front of the imposing Big School, yet it has been the field of battle for generations of All Blacks seeking to prove themselves before their peers, compatriots and opponents.

Taking their name from the legendary New Zealand national team, the MCKK

All Blacks also perform a version of the "hakka" before each match, challenging their opponents to do their worst.

While the All-Blacks fortunes have waxed and waned over the years, they remain one of the most formidable rugby teams in the country. In their hey-day, they took on opponents from as far afield as Sri Lanka, and still regularly play their counterparts in Singapore and Thailand.

Wellington is supposed to have said, "The Battle of Waterloo was won on the playing fields of Eton." With the MCKK All Blacks having produced so many leaders in various fields, little wonder then that the game is revered in "the Eton of the East."

Born in 1930 in England to a banker-father and a teacher-mother he was educated at Belmont Abbey, a small boarding school outside the town of Hereford. At the age of 18 he undertook to do the National Service, before embarking on his tertiary education. However, he found himself on Malayan shores as a young British soldier in the 1st Bn. Devonshire Regiment which was deployed in Johore. He served only for a year as in 1949 the military relieved him of his services on

until 21 July 1965 when he handed over stewardship of the College to Abdul Aziz bin Ismail. He was the last in the unbroken line of successive British Headmasters since 1905. He was the "Last Expatriate".

As Headmaster, Ryan was instrumental in upgrading the library by purchasing more relevant books so that senior classes had reference reading material and the library itself was air-conditioned.

"Compassionate Leave" as his father was seriously ill and he was the only son.

Upon his return he enrolled at the University of Bristol where he graduated with a Second Class Upper Degree in History and then obtained a Postgraduate Certificate in Education from London University. Upon completion of his studies in 1953 he was

accepted by the Colonial Service to teach in Anderson School Ipoh. He taught at the Anderson School for two years and in November 1955 he was transferred to The Malay College Kuala Kangsar.

In July 1959 he was appointed the 9th Headmaster of MCKK and held the post

With growing emphasis of increasing the number of Malay science students he found it necessary to change the senior science teaching from general science to the more specialised subjects of physics, chemistry and biology.

Ryan, supported by the Board of Governors, successfully negotiated for College to have a new sixth form teaching block consisting of laboratories and lecture rooms. He was also able to obtain approval for the building of The Pavillion, a new hostel to house the sixth formers.

Despite the tremendous development of the College during his tenure as Headmaster he is most fondly remembered as The Father of The Malay College All Blacks Rugby.

Without doubt, he was THE person who introduced rugby to The Malay College and it was he who took the school rugby team from its infancy to become the towering giant of the game.

For his meritorious service to The Malay College, in 1965 he was conferred with 'Panglima Mahkota Perak (PMP)' award by the then HRH Sultan of Perak, Sultan Idris Shah. In 2009 he was bestowed the 'Darjah Panglima Mahkota Perak' by HRH the Sultan of Perak Sultan Azlan Shah which carries the title 'Dato'.

MCKK and Vajiravudh College

MCKK and Vajiravudh College in Thailand share more than their common love of rugby. Like MCKK, Vajiravudh College was founded by royalty, in this case Phra Mongkut Klao Chaoyuhua - King Rama VI who was also known as King Vajiravudh at the turn of the 20th century.

Since 1960, the annual match between Vajiravudh College and MCKK has been a much-anticipated fixture on the schools' calendars, hosted in even-numbered years at Vajiravudh and in odd-numbered years at MCKK.

Both were modelled on the English boarding school, and emphasise the importance of character development and leadership. Both are considered rugby powerhouses in their respective countries.

The links formed at these events have resulted in long-lasting bonds of friendship and now include the MCOBA-OVA Golf Tournament for the alumni of both schools.

**ALL BLACKS
REVIVAL**

ALL BLACKS REVIVAL

Rugby was first introduced to The Malay College Kuala Kangsar (MCKK) in 1956 by the former teacher and headmaster Mr. Neil Joseph Ryan. By 1958 the 1st XV was formed and ready to take on schools which had a longer tradition of the game. Within a short period of time, The MCKK All Blacks became the top school team in the country.

As the country's education priorities evolved, the emphasis on sports gradually weakened and The MCKK All Blacks was no longer the team it used to be.

Unable to bear the slide in rugby standards and after taking more than a small blow to their pride, a group of MCKK old boys decided enough is enough. The All Blacks Revival (ABR) subcommittee was formed under the Malay College Old Boys Association (MCOBA) and thus began to restore the pride and glory of The MCKK All Blacks.

.history/

The Originals 1956

The ABR Committee is taking a holistic approach in developing its programme which involves activities on and off the field, drawing interest and support from students and staff.

With the financial support and experience from the old boys, the ABR Committee is able to plan and implement its project. The programme has attracted more than 100 students from Form One to Form Five. It has managed to bring coaches from the school, old boys, COBRA-CIMB Development Programme to conduct on and off field activities. With the strong support from MCKK, it targets to see success within 2 to 3 years.

The MCKK Premier 7s Tournament is a joint effort of MCKK and ABR. It is the first milestone to our programme. From the tremendous enthusiasm demonstrated by the staff and student, along with the generosity of the old boys we feel very elated and confident that the ABR programme is well on its way to success.

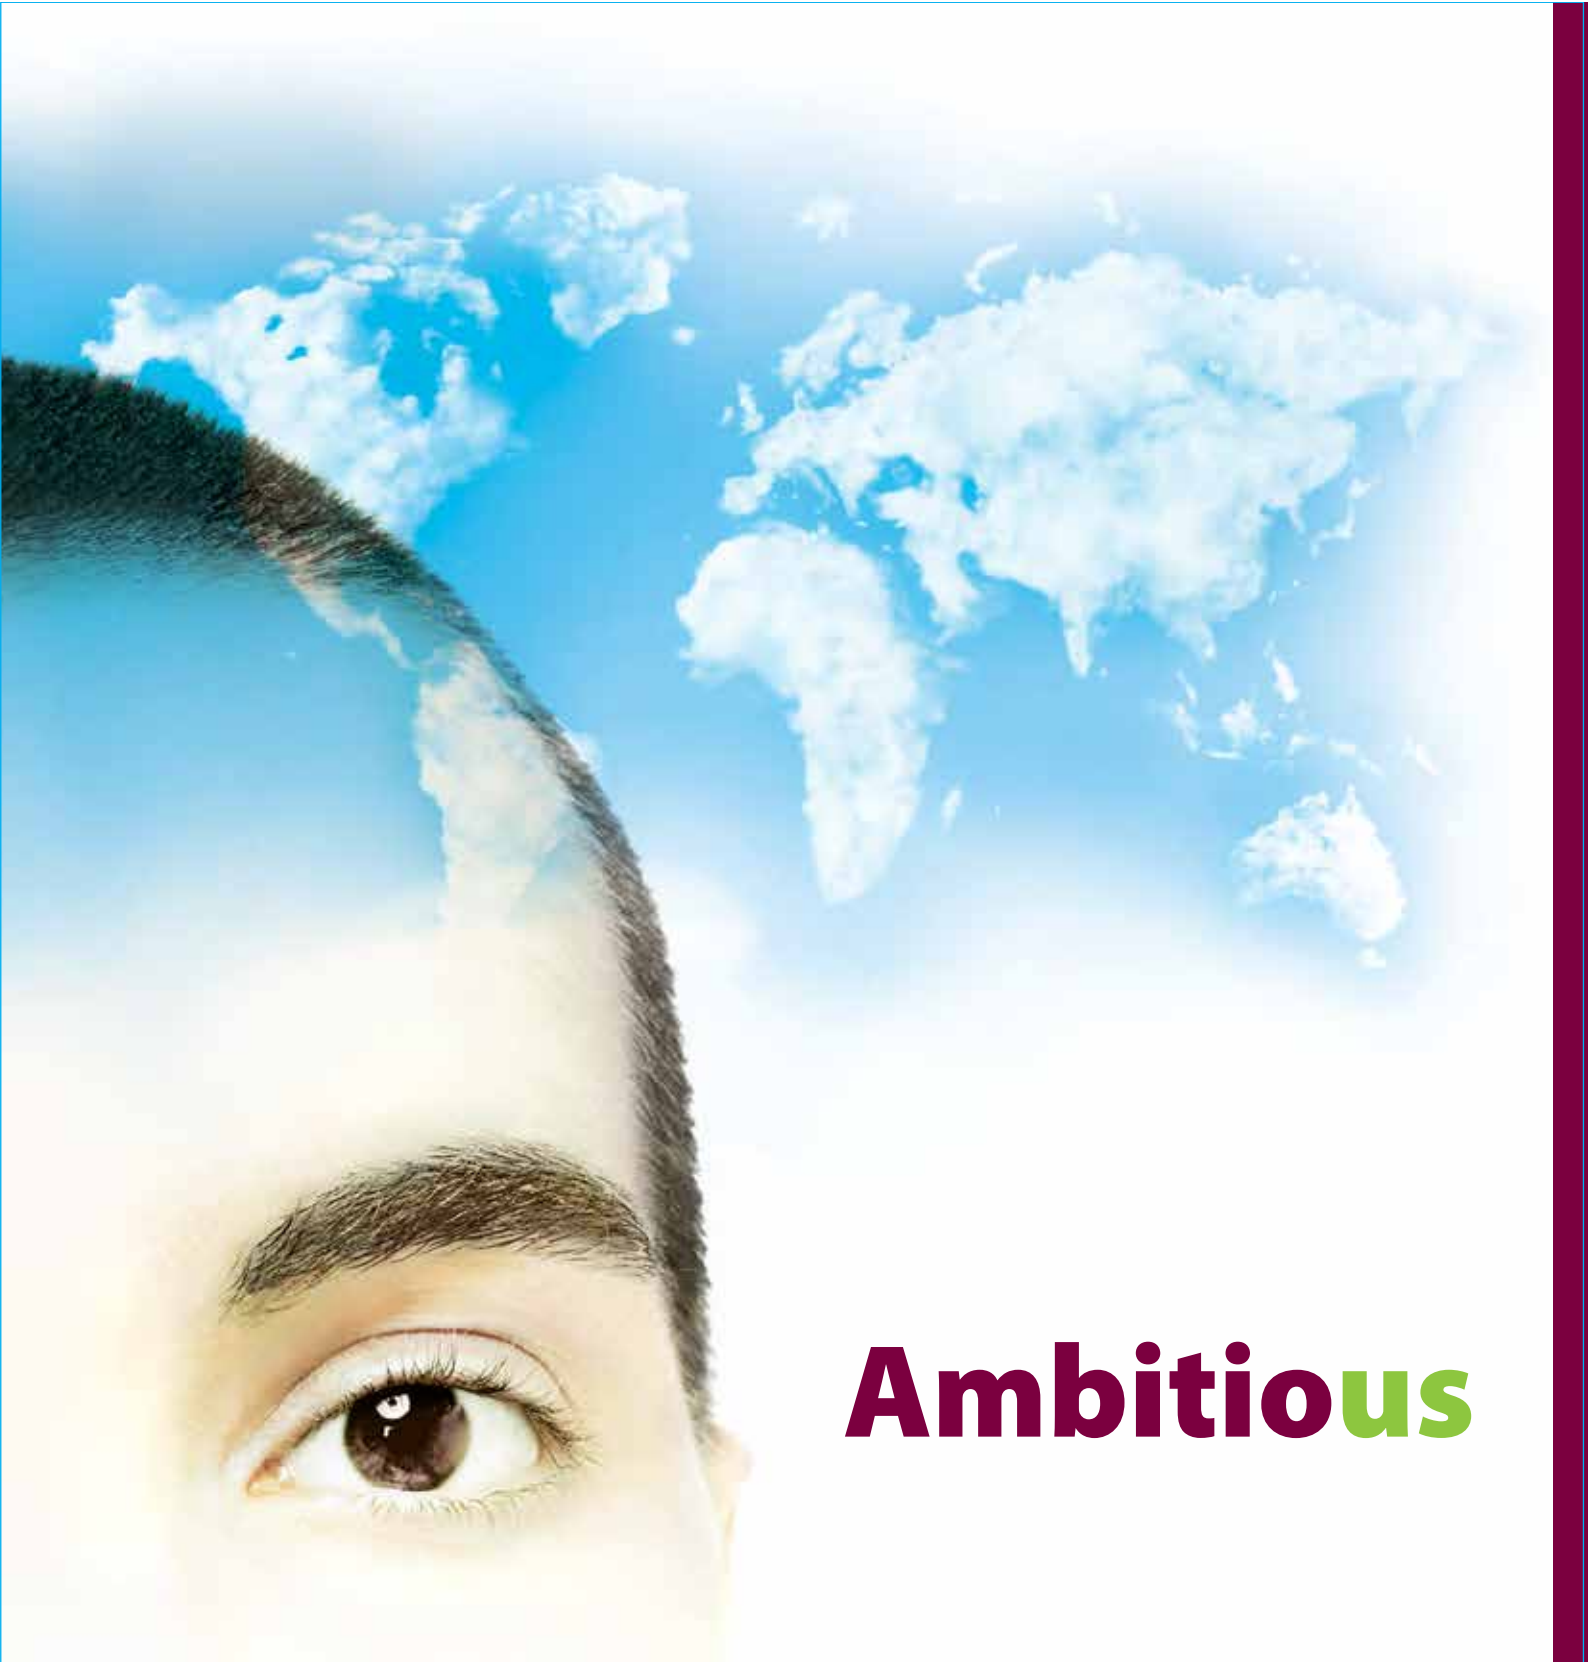

All Blacks 1963

Many MCKK players later played for the states and represented the country while some went on to become coaches and administrators at various levels including the Malaysian Rugby Union. The team took up the name of MCKK All Blacks after the famous Kiwi team.

24 top school teams to play in MCKK Sevens

MALAY College Kuala Kangsar (MCKK) will host 24 premier rugby-playing schools from all over the country as well as from Singapore and Thailand in the inaugural MCKK Sevens on Feb 26-27.

The tournament, which is being planned to be an annual event, is aimed at helping to raise the standards of rugby in Malaysian schools and foster close ties among competitors.

Joint organising chairman Zain Yusoff said the tournament, which is sponsored by Digi Telecommunications, is a good way to spur the development of rugby in the country as it provides a platform for top teams from local schools to compete against each other.

"Rugby has been gaining popularity in both formal schools as well as boarding schools the past few years. And thanks to various reward development programmes, the standard of play has improved tremendously," said Zain.

MCKK vow to bring back good old days

FAR from just trying to revive their glory days again, the Malay College Kuala Kangsar wants to bring rugby back to the school in a big way with the hosting of the inaugural MCKK Premier 7s this month.

Boys Association sprang into action and set about plans to revive the sport at their alma mater. A development programme was laid in place and coaches were roped in to bring the MCKK team up to scratch while the administrators went a step further with a 24-team sevens tournament

Involving schools from Thailand and Singapore. Come the weekend of Feb 27-28, the whole of Kuala Kangsar will be abuzz with rugby fever once again, just as it once was in a time when rugby ruled in the Perak royal town.

There's a rugby revival at MCKK

By Deshaugh Singh

DEVELOPMENT programmes play a vital part in the success of any sport and it is this idea which inspired what will give rugby a boost when the inaugural MCKK Premier 7s tournament is held on Feb 26-27.

MCKK, once a hotbed of rugby activity in Perak, is presently experiencing a dip in fortunes but the 24-team tournament which will see the participation of a host of schools from Singapore and Thailand is being mounted up to revive the sport in the venerable town of Kuala Kangsar.

The OBA is organising a rugby tournament to revive the spirit of the school. The tournament will be held on Feb 26-27 at the MCKK ground in Kuala Kangsar.

MCKK to host two-day Premier Sevens

THE Malay College Kuala Kangsar (MCKK) and the Malay College Old Boys Association (MCOBA) will be hosting the MCKK Premier Sevens at the MCKK ground in Kuala Kangsar, Perak on Feb 26 and 27.

Twenty-four teams from schools in Malaysia, Singapore and Thailand will be competing for the N.J. Ryan Challenge Trophy. Ryan, who was the school's headmaster in 1956, was responsible for introducing rugby to MCKK.

After the preliminary rounds, the teams will battle for the crown in four different categories - Cup, Plate, Bowl and Shield. MCKK principal Anand Baharuddin said they were delighted to announce Digi as the main sponsor for the championships.

"We are constantly on the look out to collaborate with schools to create unique experiences that resonate with our students and what they are passionate in. The MCKK Premier Sevens is one such example we believe will benefit the students and the local community alike, a brilliant opportunity to participate and enjoy a premier level rugby event at their doorsteps," said Mohar Mustaqem.
