Message from Minister of Education

Minister of Education*

“Excellence through sports”

Congratulations to the Organising Committee of the MCKK Premier 7s Rugby Tournament for successfully organising a tournament which, even in its first two years, had successfully established itself as the premier school level rugby tournament in the country and had accordingly enhanced the competitiveness of Malaysian Schools sport.

This is in line with the Government's initiative to place greater emphasis on sporting activities in schools as a means to develop a student's character in the belief that sporting excellence will not only encourage academic excellence but the skills, experience and camaraderie gained on the sports fields, courts and tracks will place the students in good stead to face future challenges.

Malaysia's youths are our country's most important and most valuable resource. Not only our youth represents the core of our nation, they are also the future leaders of our country thus it is most important to inculcate positive values and lifestyles as well as development of relevant skills and competencies from an early age.

Rugby, as one of the more popular global team sports, has proven itself as an activity which encourages a healthy lifestyle as well as promotes the development of individual skills and competencies as well as strategic thinking and teamwork - traits which are highly sought after in the real world.

Being a game of specialised positions which require different skill sets, every rugby player needs to equip himself with the necessary skills and techniques in order to be selected to play for his team while at the team level, each team will have its own strengths and weaknesses as well as playing styles and this necessitates specific strategies and game plans to be formulated and executed in order to win rugby matches. Playing rugby will indeed help prepare one for the challenges of life.

I would like to take this opportunity to extend a warm welcome to all the international teams competing in the Tournament and wish the visit to Malaysia to be a memorable one - do take the time to visit our various tourist attractions and sample our local delicacies which I am sure you will enjoy.

I would also like to extend my appreciation to all the sponsors that have graciously contributed towards the successful organisation of the third edition of this unique Tournament.

Rugby is a gentlemen's game and I believe the highest level of sportsmanship will be displayed by all players in the course of the Tournament. Here's to a successful Tournament and my best wishes to all involved.

Principal's Foreword

*Anand Bin Baharuddin,
Principal of The Malay College Kuala Kangsar*

Going into the third edition of the Malay College Kuala Kangsar (MCKK) Premier 7s Rugby Tournament, we can look back at the last two editions with some satisfaction. From the outset this tournament has become the main schoolboys rugby sevens tournament, thanks to the promotion and the diligence of those members of the All Blacks Revival (ABR) in

their quest to make this gathering a premier masterpiece of a tournament.

On the home front, the number of boys taking up the game competitively has increased significantly. As a recreational game, touch rugby has also gained popularity among the fringe players. On that note, the MCKK Premier 7s has significantly achieved both MCKK's and ABR's objective of reviving and sustaining the popularity of rugby among the boys. Even those with a passing interest, including the teachers, now understand better the intricacies of the game's rules and regulations.

In the first two tournaments, our close ally, the Vajiravudh College

(VC) of Bangkok, provided the international 'flavour'. This year we are expanding and in addition to VC, we also welcome the international participation of Brunei International School and the Hong Kong Sports School. This will no doubt increase the competitive level of the tournament. The local competition will be provided exclusively by schools that have achieved a significant level at the state level. The people of Kuala Kangsar can look forward to a great festive of rugby.

We are grateful to many quarters that had made, and will make, this Tournament in Kuala Kangsar one to be remembered. We are thankful to HRH the Crown Prince of Perak for consenting to host a dinner for everyone involved. Other than the exploits on the field, this is one experience all the boys will cherish for a long time. The various Heads of Departments of the Local Authorities also deserve special mention for the many forms of assistance accorded.

It goes without saying the contributions provided by the members of the ABR and the teachers of MCKK. We must also acknowledge the support provided by Telekom Malaysia and all the sponsors.

Let the Games begin, and let sportsmanship be the victor.

President's Message

*Tan Sri Dato' Sri Megat Najmuddin Megat Khas,
President, The Malay College Old Boys
Association*

The 'MCKK Premier 7s rugby Tournament' this year will see an increase in International participation with three schools from Brunei, Hong Kong and Thailand competing for the coveted NJ Ryan Trophy.

Since its inception in 2011, under the Patronage of His Highness the Raja Muda of Perak, the tournament has received accolades from the rugby and sports fraternity in Malaysia and has become the most prestigious schools' rugby tournament in the country.

It is hoped that with the continued support from the Ministry of Education, the Ministry of Youth and Sports and the Ministry of Tourism, the 'MCKK Premier 7s Rugby Tournament' would be regarded as an annual event worth attending by all sports and rugby enthusiasts throughout the country.

Rugby, as the saying goes, is the sport of gentlemen and although it is a contact sport, it is played to the rules of the game and in accordance with the spirit of sportsmanship. The camaraderie built from amongst the team and the competing teams is a long standing relationship and would be remembered long after each has stopped playing the game and

moved ahead in life – its experiences being a guiding light for all who has participated.

The MCOBA 'All Blacks Revival' Programme hopes that through this tournament, MCKK would again revive the spirit of 'Fiat Sapientia Virtus' and that this spirit of achieving wisdom through sportsmanship would also be absorbed into the culture of all Malaysian youths – the future leaders of the country.

I must again take this opportunity to thank the joint MCKK-MCOBA Organising Committee, the sponsors for their generous contributions, the various local authorities in Kuala Kangsar, all MCOBS who have also given their endless support to the activities of MCOBA and the people of Kuala Kangsar without which the tournament could not have been a success.

To the teachers and students of the College, who has also tirelessly given their 'labour of love' in the organising of the tournament, thank you.

To all those who are here today to experience the event – I bid you welcome and see you again in 2014, In Sya Allah.

It is my pleasure and great honour to be able to write this message in the 3rd Premier 7s souvenir programme. On behalf of the committee, I would like to welcome all participating teams from across the country and our friends from around the region. We would like to welcome our very old and dear friends from Vajiravudh College, Thailand and our new friends from Hong Kong and Brunei who will

For the third year running too, HRH Raja Muda Perak, Raja Dr Nazrin Shah, has graciously consented to host the Royal Dinner at the majestic Iskandariah Palace, a much anticipated event by all participants. Patik sekalian Menjunjung Kasih Tuanku.

A special mention is also made to Telekom Malaysia (TM) for being our Premier Sponsor. We fully appreciate their commitment in the development of rugby in Malaysian schools. Our appreciation also goes to our numerous other Sponsors (some for the third year running) who have kindly donated to this event.

The Committee has spared no effort to create a carnival atmosphere for this event and we hope all who are with us will enjoy the event not only watching the action packed rugby games but also experiencing the local delicacies of Kuala Kangsar and purchasing attractive merchandise which could win you very appealing lucky draw prizes.

I would like to thank En Anand Baharuddin, the Principal of MCKK and Co – Chairman of this tournament, Staff and students of MCKK for their unrelenting support. Our appreciation also goes to the school Board of Governors, MCKK Foundation and MCKK Parent Teacher's Association for their financial and moral support.

I am forever indebted to my colleague and President of MCOBA, Tan Sri Megat Najmuddin Khas for his personal indulgence in helping us to raise funds for this tournament.

Finally, I wish to thank the ABR Committee for their dedication and hard work and thus living up to their motto of Pride, Passion and Tradition.

Have an enjoyable rugby weekend.

Message from Chairman of ABR

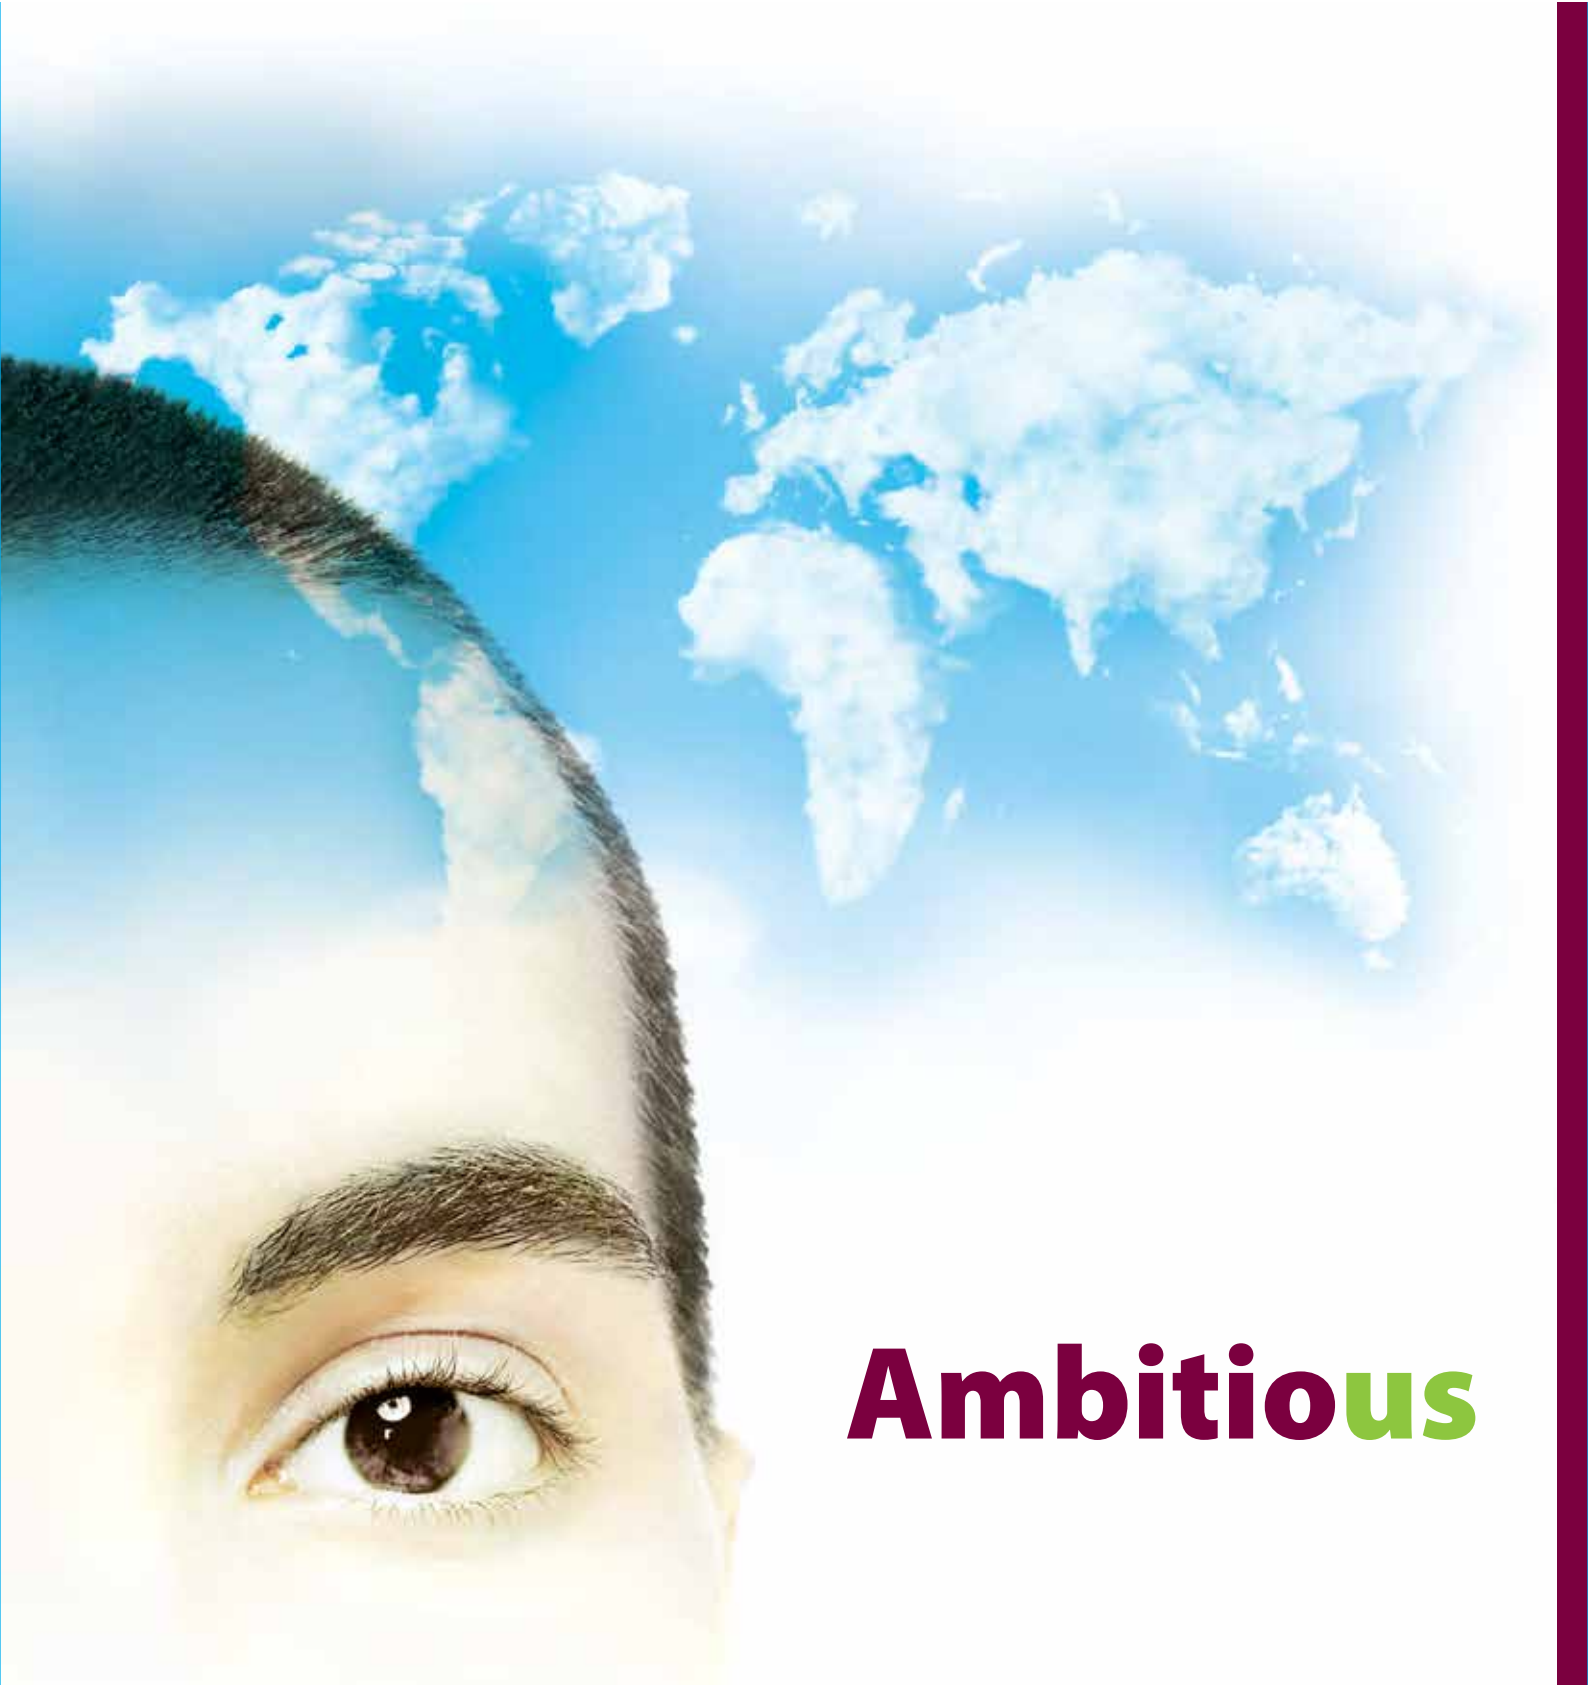

*Zain Yusoff,
Chairman, ABR Sub Committee, MCOBA*

be participating in this tournament for the first time.

This tournament has indeed grown from year to year, generating interest in schools around the country and beyond. Most importantly, the tournament has attracted the media and sponsors who believe that such tournament will help to build greater social networking amongst students locally and on an international basis whilst creating for the tournament, its own branding.

The success of this tournament is largely due to the passion, commitment, dedication and cooperation of the Principal and staff of MCKK and MCOBA.

The other key success factor of this tournament is the support given by the Government, Ministry and State Education Department in providing financial and moral support. We would like to make a special mention to the Deputy Prime Minister and Minister of Education, YAB Tan Sri Muhyiddin Yassin, for being the biggest supporter for the third year running. For the first time this year, the Ministry of Tourism and the Ministry of Youth and Sports have come in to lend their support.

GENTING
PLANTATIONS

Genting Plantations Berhad, a 54.6%-owned subsidiary of Genting Berhad, is predominantly involved in the oil palm business, with interests extending to property development and biotechnology. Commencing operations in 1980, Genting Plantations has since grown to become one of the country's leading oil palm plantation companies and is reputed as one of the lowest cost palm oil producers.

Genting Plantations currently has a landbank of about 66,000 hectares in Malaysia and some 162,000 hectares in Indonesia through joint ventures. It also owns 6 oil mills in Malaysia and one in Indonesia, with combined milling capacity of 310 tonnes per hour.

While the plantation business remains the core activity, Genting Plantations has also diversified into property development, with commercial and residential projects in Johor, Melaka and Kedah. More recently, in 2009, the Group entered into a joint venture with Simon Property Group, USA to develop Premium Outlet Centres in Malaysia, starting with the Johor Premium Outlets sited in the Genting Indahpura project in Johor.

In moving forward, Genting Plantations has made significant investments in biotechnology in a major effort to apply genomics to improve agricultural crops. Its subsidiaries, ACGT Sdn Bhd and Genting Green Tech Sdn Bhd, are leading the way for the production of superior oil palm planting materials using DNA marker-assisted selection, a world first. This breakthrough will not only lead to genomic-based solutions to increase productivity in the palm oil industry, but also to more sustainable production.

THE MALAY COLLEGE KUALA KANGSAR

Prep School MCKK... Over The Years

Who Says Rugby Will Take You Nowhere...

A New Pearl Is Born

Nurturing Seeds Of Peace

The Preparatory School of The Malay College Kuala Kangsar (MCKK) is officially celebrating its centenary in 2013. Located along the busy Jalan Taiping, it is the place boarding school life starts for generations of MCKK students. During its initial years, Prep School, as it is popularly known, acted as the Primary School for MCKK where boys as young as seven years old were not only quartered but also attended classes on its premises. Presently, this grand old building is the home away from home for MCKK's Form One students.

scurrying around in the early morning and late evening hours looking for places to have a bath and to, ehem ehem, relieve themselves. The options were not many with the only nearby shower facilities are in the gymnasium, which was never designed to cater for 120 boys, to say the least. Other options included bathing at the pipes outside the Industrial Arts Laboratories as well as in the various toilets of the New School - including those "reserved" for the teachers. Later on, two drum barrels were made available to us at Prep School and needless to say, the Prep School Long Beach became the most popular place to take a bath.

Prep School MCKK... Over The Years

Construction of the Prep School building was initiated circa 1910 and its completion was reported as early as 1911. However, records indicated it was only officially used by MCKK in 1903. Built in the classic greco-roman style of its elder brother, The Big School, Prep School's claim to fame is its L-shaped design which allows it to enjoy double street frontage at both Jalan Taiping and Jalan Kolej Melayu. Throughout its 100 years of existence, the Prep School building had undergone various changes which had in turn coloured its residents. For example, the original plans of Prep School featured staircases at both "ends" of its building - however, the section facing Jalan Taiping was later extended to include an additional "dormitory" on both the ground and first floors resulting in the staircase being in the middle of the building instead of at the end.

Prep School also had a two-storey Annexe Building which hosted the hostel's kitchen, shower and toilet facilities, amongst others. With the Annexe, the Prep School building complex was shaped like an arrow head rather than the original, and present, L-shape. This Annexe was demolished in 1978 and resulted in the First Formers of that year being deprived of some of the basic facilities expected of a hostel. The most "impactful" was the absence of shower facilities which saw its occupants, one of them is the author,

The Preppies of 1978 also reported an unusually high number of "close encounters of the paranormal kind" where sightings, such as of the infamous Green Lady, and other related incidences in Prep School was so common then that the boys became immune to such reportings. Maybe the role played by the late Ustaz Abdul Rahman, the then Warden of Prep School, together with the Prep School Prefects was instrumental in instilling the Islamic Values and discipline needed for me and my batch mates to "survive" the physical, emotional and mental challenges that we had to face whilst in Prep School. But one thing for certain, we became a very close knitted batch due to the hardships and experiences that we shared during our eventful one year stay in Prep School...

Back to the present, MCKK and its alumni organisation, the Malay College Old Boys Association (MCOBA), will be holding several events throughout 2013 to commemorate Prep School's centenary with the first one scheduled to be held during this year's Old Boys Weekend (OBW 2013) - details will accordingly be made available at mckk.edu.my as well as at mcoba.org and the MCOBA FB Page.

All MCOBs and their family and friends are invited to contribute and participate towards making the Prep School Centenary Celebrations a success.

See You Then...

Again after almost 50 years, MCKK produces a new sprinter in 100 and 200 meter track and field events. Ahmad Fikri Hakim bin Abdul Manan, a 15 year-old boy from Gerik, Perak has finally won the GOLD MEDAL in 100 and 200 meter events in the MSS Perak Athletics Competition held in Ipoh. He was announced as the best athlete in the Under 15 category in the respective competition. The greatest news for the year 2012 sports activity is that a Malay College boy was named the fastest man in Perak!

Ahmad Fikri Hakim bin Abdul Manan was then selected to represent the state of Perak to the MSSM. Once again, this outstanding boy entered the final in the 100 meter event. As expected, this "Budak Koleq" clocked a time of 11.1 second to finish first and won the GOLD MEDAL for Perak. He also helped Perak 4 x 100 meter quartet to gain the GOLD MEDAL. Can you imagine a college boy who trains on a grass track in our 107 years old school managed to capture the title as the fastest man in Malaysia! Yes, it was indeed a history for MCKK athletics achievement.

A New Pearl Is Born

The glory does not end there. Ahmad Fikri Hakim bin Abdul Manan or nick name "Panjang" among his friends, represented the SBP North Zone Contingent to the SBP National Track and Field Competition in Kuala Lumpur last November. As expected, Panjang gained the GOLD MEDAL and was also announced as the Best Athlete in this prestigious competition. Getting three prestigious titles in a year was such an achievement for him.

Unfortunately, Fikri missed to represent Malaysia to the ASEAN School Games in Singapore as he had to sit for the Penilaian Menengah Rendah 2012 (PMR). It is hoped that he will again enlighten the track and field arena in Malaysia in the near future.

The Malay College Youth Development Summit (MCYDS) is a programme worthy of its existence as it is an important platform in the development of human capital in line with the second aspiration contained in the National Education Blueprint emphasizing on the building of towering personality, character building as well as developing students with competitive outlook.

2012 marks the 5th consecutive year that The Malay College Youth Development Summit has been held. With the participation of 21 schools – 11 from Malaysia and 10 from abroad, it has proven to be yet another exciting year for all participants. The theme for this year's MCYDS is "World Peace Begins In School". As the theme suggests, the aim is to show youths what lies in their hands. They need to realize that the key to bridging the differences among people lies in their hands. They are the ones who can bring peace and understanding in the world.

The Malay College Youth Development Summit

In order to make sure that all the youths are indoctrinated with peace in their minds, the adults have the responsibility of nurturing their minds starting from now. By having this summit, youths can learn the importance of peace itself, how to ensure and sustain peace and in the future, attain it for themselves. Some of the activities held during the programme were Ice Breaking Sessions, Opening Ceremony, Dialogue Sessions, Presentations by the delegates, Peace Declaration, Community Service, Royal Banquet, Heritage Trail and Cultural Exhibition & Performance.

Overall, through this summit, it is hoped that delegates have learnt a lot from one another how to promote peace in school and bring back ideas to be shared in their own schools.

Field Preparations

Since the beginning, in terms of the classroom work, the College was no different from other English schools in the Malay States and the Straits Settlements. But what differentiate it from other schools was that games and other extra-curricular activities were made compulsory for everyone in the College. This emphasis on physical activities was for no lesser reason than that of maintaining healthy bodies and character building.

Football was by far the most popular game. Mr Hargreaves (Headmaster 1905-1918) himself was a player in his younger days and remained a keen footballer taught the boys the finer points of the game. It was in his time that the "Moderates", the legendary football team that started as a junior team, under the captainship of Raja Kamarulzaman Bin Raja Mansur (also the first College Headboy), went on to beat the senior team twice and subsequently drew with the Perak State Eleven. The team remained united until leaving school, even forsaking promotion to the school first eleven.

In the beginning...

The photo of the "Moderates" below was taken in front of the attap classroom building with other boys and the teachers, circa 1909.

One member of the teaching staff that contributed a great deal to the development of sports and extra-curricular activities was Che Ahmad Jalaludin.

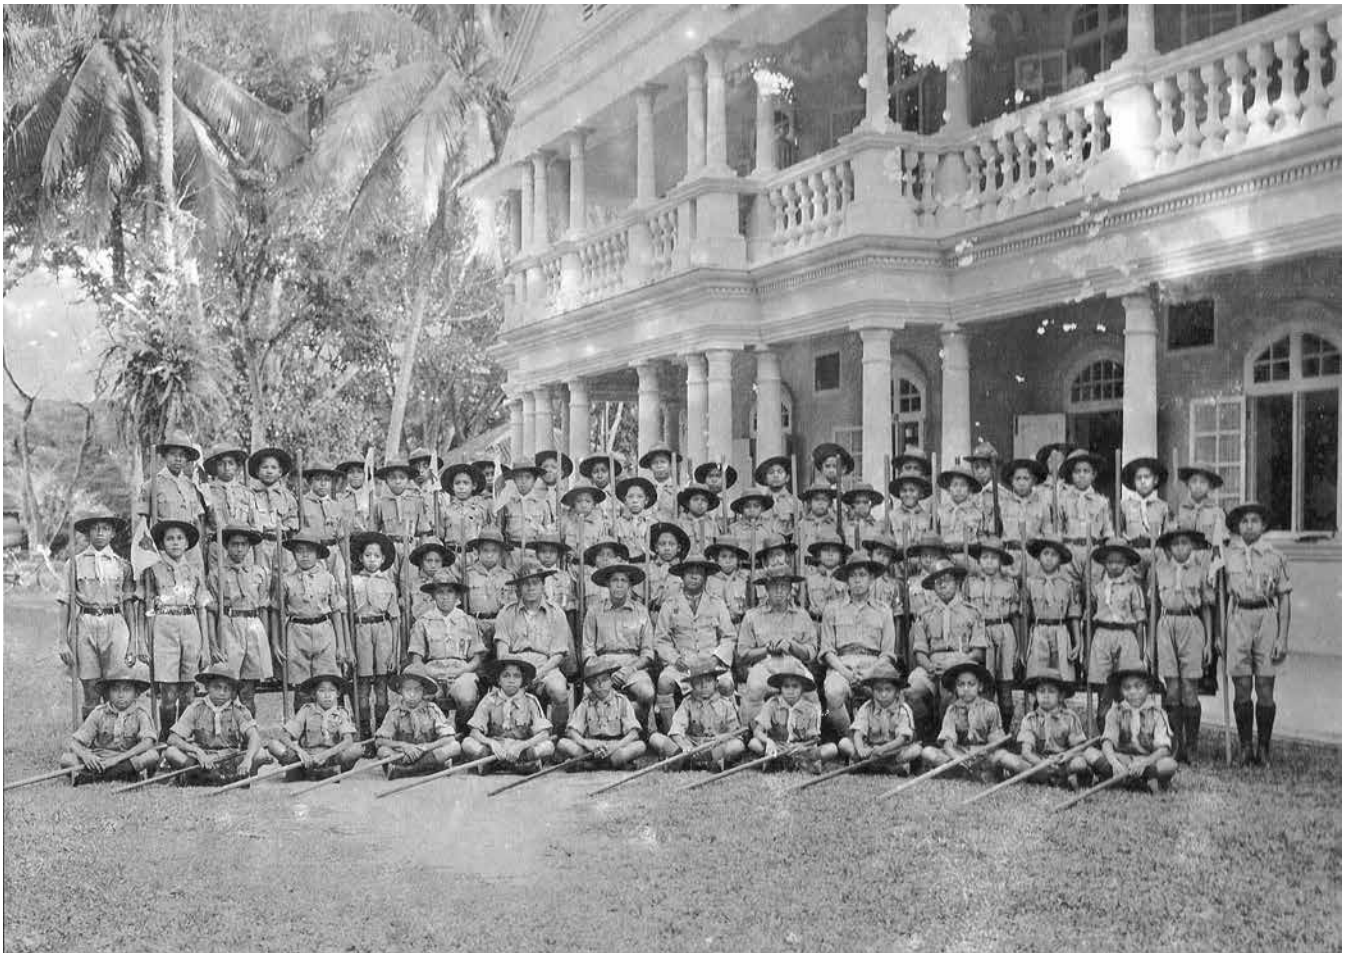

He joined the College in 1919 and stayed on until 1938. When he arrived at the College, besides athletics, only two games were played, i.e. football and tennis. His immediate task was to arrange for the first football fixture with Penang Free School in 1920, which the College won. Soon after, he was in the midst of getting the boys introduced to hockey, and by 1922 a decent team which included some members of the staff was formed. He himself was selected to represent Perak in 1923.

The competitions within the College in games and athletics were organised by the class monitors until 1921, when a decision was made to form the College Sports Committee with Che Ahmad Jalaludin as Secretary to run all competitions. The boys were divided into three houses, namely Heads, Rookie and Wheels (when Mr Carey became Headmaster in 1939, he created another house and renamed the four houses into what we know today). Inter-house football was organised for the first challenge trophy called Peter Cup.

Wheels House in 1923. Che Ahmad Jalaludin seated near centre with hat.

Extra-curricular activities saw a remarkable number of additions, largely due in part to the indefatigable effort of Che Ahmad Jalaludin. A Scout Troop consisting of 40 Scouts was formed and the Cadet Corp was revived within twelve days out of the necessity to form a Guard of Honour for the High Commissioner who was due to visit the College in April 1920. Che Jalaludin was later commissioned Commanding Officer. The High Commissioner appreciated the Guard of Honour and donated a trophy (The Guillemard Challenge Trophy) for a Shooting Competition.

FROM THE ARCHIVES

The number of clubs and societies had also increased that include Carpentry, Photography, Gardening, Geography, Literary, Dramatic and Debating.

Between 1926 and 1938, a swimming pool, a pair of Eton Fives Court and a pair of Squash Courts were constructed and the games added on to the already popular games of football, hockey, cricket, badminton, tennis and the annual athletic meet.

Fast forward into the 1950's, it was Rugby that was to be the game that the College made a name for itself. When Mr Ryan was transferred to the College in November 1955, he was rather surprised to find that the College did not play rugby, considering that the Headmaster, Mr J D R Howell was Welsh as was Dr Lewis of Anderson School. (Rugby was first introduced in the College in 1924, but it was shortly discontinued and then again continued for a year in 1947).

As a rugby player himself (represented Perak whilst in Anderson School), Mr Ryan could not let the matter to rest and so a considerable negotiation took place between him and the Headmaster. Eventually it was agreed that Mr Ryan could introduce the game on a trial basis with a condition that it "did not interfere the other recognised sports". It was probably due to the condition imposed that another venue outside the College for rugby had to be found. Permission granted, the initiation into the game of rugby began - on that vast Polo Ground, and as the saying goes the rest is history.

RUGBY Final target for All Blacks

HOME team Malay College Kuala Kangsar (MCKK) are hoping to take another step towards regaining their status as one of the powers of Malaysian schools rugby with an impressive performance at the MCKK Premier Sevens on Feb 23-24.

All Blacks Revival chairman Mohd Zain Mohd Yusoff said the team are looking to build on their semi-final run last year, their best to date in the tournament, and will settle for improving less than a final appearance of the event which will be held at the school's grounds in Kuala Kangsar.

The school aligned their intent when they hired former Cobra and India national coach Usala Bhanawat of Fiji as well as former national coach and captain Khushraj Lalak to head the training programme last year.

The All Blacks Revival is an initiative by the Malay College Old Boys Association (MCOBA) to revive the popularity of the game at the school level in the country as well as improve the performance of the MCKK team, whose nickname is All Blacks.

"We have been steadily improving since the programme started. The game has become immensely popular at the school to the point we are running out of pitches for them (students) to play," said Mohd Zain, who is also the joint organising chairman of the Premier Sevens.

"We expect it to be a tough tournament with more foreign teams (from) competing this year with top-notch defending champions Tuanku Mahkota International School also in the mix.

"However, we want to do better than we did last year and with the development we have done with our coaches, we are expecting to reach the final at the very least."

"From a development aspect, also hope the (local) teams could be able to gain much more exposure by playing against the foreign teams."

The event, which is into its 13th edition this year, will see Hong Ki Sports School, Jerudong, Imar Tawal School, Brunei, as well as Australian International School Singapore making their debut.

The trio will join Thailan Vajiravadh College, who will make their third consecutive appearance at the event. **By Faithful**

MCKK to host Premier 7s rugby tourney

By SCOTT LEE
 mscott@thestar.com.my

THE Malay College Kuala Kangsar (MCKK) will be hosting the third edition of the MCKK Premier 7s (P7s) Rugby Tournament from Feb 22 to 24 at the MCKK grounds in Kuala Kangsar.

The competition, aimed at encouraging the revival of rugby among students and to assist in the development of rugby in Malaysia, will be a 7-a-side match in accordance with variation of International Rugby Board (IRB) Sevens rules.

Due to popular requests by the participating teams, the tournament format of eight groups is three have changed to six groups of four.

Six games will played on Friday starting at 4pm followed by 30 games on Saturday, starting 10am for the preliminary rounds.

The teams will then be ranked and grouped into four categories - Championship, Plate, Bowl and Shield.

A total of 24 matches for the knockout stages will be played on the final day of the tournament.

For each match duration for all the matches will be seven minutes for each half of two with a one minute break in between. For the final, 10 minutes will be given for each half as well as an additional one minute between the interval.

A total of 24 teams are taking part in the two-day tournament compared to 16 in the past two years. The participating teams include Thailand's Vajiravadh, Singapore's Australian International School, Brunei's Jerudong International School and Hong Kong Sport School.

SM La Salle Kuala Lumpur, Sabah and Malacca Rendah Mara Sukh Pulau Penang will be making their debut in the tournament.

Telekom Malaysia Berhad is the premier sponsor for the tournament. The other sponsors are the Tourism Ministry, Scania Berhad, USM Group Bhd, Agro Bank, Gering Plantation Berhad, MTU Services (M) Sdn Bhd, Busted Sweets, Parents SKK, D&B, Error & Young, Caribbook, KOF Healthcare Bhd and SA Kargo Sdn Bhd.

MCKK Premier 7s joint organising chairman Mohd Zain Yusoff said "We fully appreciate the commitment in the development of rugby in Malaysian schools. I sincerely hope this partnership will continue even after next year."

QUALITY HEALTHCARE

Since our inception in 1981, KPJ Healthcare Berhad (KPJ) has cemented a reputation as one of the leading healthcare providers in the region with more than 20 specialist hospitals in Malaysia and 2 in Indonesia, 1 in Thailand and a retirement & aged care resort in Brisbane, Australia providing promotive, preventive and curative medical services.

OUR STRENGTHS

- With more than 3,000 operating beds at its network of hospitals, we have 900 medical specialists and around 10,000 support staff such as nursing, paramedic, pharmaceutical, technical and management services.
- Complementing the expertise of our specialists, our hospitals are equipped with state-of-art medical technology as well as facilities that allow us to offer a comprehensive set of medical services including cardiac, orthopaedics, oncology, bariatric surgery, and reconstructive and plastic surgery, among others.
- Our commitment to patient safety is reflected in 11 KPJ hospitals accredited by the Malaysian Society for Quality in Health (MSQH) which is affiliated with the International Society for Quality in Health Care (ISQua), and 2 by Joint Commission International (JCI) while other hospitals are in the process of being accredited.
- KPJ hospitals also implement the Integrated Management System (IMS), thus guaranteeing high standards in quality services, environmental safety and health management.
- The above mentioned qualities have enabled KPJ hospitals to attract 2.5 million outpatients and 250,000 inpatients in 2012, including a sizeable amount of foreign patients from all over the world.
- KPJ's education arms, called KPJ Healthcare University College (KPJUC) is a premier university college of higher learning recognised at national and international level. Since its establishment in 1991, KPJUC is not only the first private nursing college to initiate Diploma in Nursing Program but also the first to have it accredited by Malaysian Qualification Agency (MQA).

Tournament Rules

2012 Tournament Recap

2012 Tournament Results

TOURNAMENT RULES

MCKK PREMIER 7'S 2013

Tournament Rules

1. Competition Format

- a. The tournament will be a twenty four (24) team event.
- b. The teams will be divided into six (6) groups of four (4) teams each.
- c. Preliminary Round
 - i. Teams in the respective groups will play a round-robin format within their groups. Each team shall play three (3) matches against teams in their groups.
 - a. If two (2) or more teams in the same group finish with the same number of points, the following shall determine the placing in the group.
 - b. The team with the greater point difference (points for, less points against) shall be declared the winner.
 - c. If a decision is still not reached, then the total points derived through tries, goals and penalties by each team shall be considered, priority being given in that order. Hence the team that scored more of its points through tries shall be declared the winner over a team that scored less tries. If there should be a further tie, then the number of goals shall be considered and so on, in the stated order.
 - d. If a decision is still not reached, the qualifying order shall be determined by the drawing of lots.
 - ii. If any team gives a walkover in the Group matches, all their games will be deemed null and void. They will be placed last in their group irrespective of the results of their other matches.
 - d. Quarter-Final Round
After the Group matches,
 - i. Champions of each groups will be ranked 1st to 6th
 - ii. Second placed teams will be ranked 7th to 12th
 - iii. Third placed teams will be ranked 13th to 18th
 - iv. Fourth placed teams will be ranked 19th to 24thThen,
 - i. Teams ranked 1st to 8th will advance to the Quarter-finals for the Cup and Plate pools. The teams will play as determined by the draw.
 - ii. Teams ranked 9th to 16th will proceed to the Quarter - Finals for the Bowl pool. The teams will play as determined by the draw.
 - iii. Teams ranked 17th to 24th will proceed to the Quarter - Finals for the Shield pool. The teams will play as determined by the draw.
 - e. Semi-final Round
 - i. The winners of the Cup/Plate quarter-finals will advance to the semi-finals of the CUP Championship.
 - ii. The losers of the Cup/Plate quarter-finals will proceed to the semi-finals of the PLATE Championship.
 - iii. The winners of the Bowl quarter-finals will advance to the semi-finals of the BOWL Championship.
 - iv. The winners of the Shield quarter-finals will advance to the semi-finals of the SHIELD Championship.
 - v. The losers of BOTH the Bowl AND Shield quarter-finals are eliminated.
 - f. Finals
Winners of all of the semi-finals will advance to the finals of their respective pools.

2. Registration

- a. All teams are to submit their Team Registration Form giving the final list of Twelve (12) players in their squad and their officials to the Tournament Director at the Manager's Meeting on the **22nd February 2013**.
- b. Teams/Schools are allowed to register only their currently registered

students, born in **1996** or later as players.

- c. During the tournament, Team Managers must register their team playing list with the Tournament Director, at the Tournament Control Centre at the field, no less than thirty (30) minutes before the commencement of their match.
- d. All Team Managers must personally register their team, with the full names of their players as in Rule 2 (c) above.
- e. Any late entries and proposed registration after the official registration deadline as in Rule 2 (c) will not be entertained, unless with prior consent of the Tournament Director.
- f. All teams must register a minimum of five (5) and a maximum of twelve (12) players upon submission of their team playing lists. No additional registration, transfer, replacement or change of team members will be permitted after the close of registration as in Rule 2 (c) above.
- g. In the event that, due to injuries, a team is unable to field a full complement of players derived from its own squad of twelve (12) registered players, such team may borrow no more than two (2) substitute players from any other team that has been eliminated from the Tournament. However, such players to be replaced have to be certified unfit to play by the Tournament Medical Officer.

A team that borrows a player or players must take the field with all their own available and uninjured players before using the replacement players. Such substitute players must be registered with the Tournament Director and can play subject to their new team using all their players first; these substitute players shall not be permitted to represent any other team during the remaining rounds of the Tournament.

3. Penalties

- a. Any team that plays with an unregistered player at any time during the Tournament shall forfeit their game.
- b. Any team that fields less than five (5) players in their scheduled game shall forfeit that game.

4. Reporting Times

- a. All teams must be at the field-side five (5) minutes before the scheduled kick-off of each of their games.
- b. Any team that does not field a complete team as in Rule (3) above, five (5) minutes after scheduled kick-off, will forfeit their game, provided their opposing team is on the field.
- c. If both opposing teams fail to report to the Referee on the field of play five (5) minutes after the scheduled kick-off, both teams will forfeit their game.
- d. All team captains / managers must register the names of their own seven (7) playing members for a game at the Tournament Control Centre thirty (30) minutes before commencement of the game. Additional registration forms are available from the Tournament Control Centre. It is the responsibility of Team Managers to ensure that teams obtain these forms.

5. Replacements

Rolling substitutions are allowed at any time during a game. Only three (3) substitute players are allowed for each game. The substitute player must report to the match official at the half way line and the player to be replaced must leave the field and report to the match official before the substitute player is released onto the field.

6. Playing Time

- a. All matches except the finals shall be played in two (2) halves of seven (7) minutes each way with a one (1) minute interval between

halves. The Finals will be played in two (2) halves of ten (10) minutes each way with a two (2) minute interval between halves.

- b. Preliminary Round - The preliminary round will be played on a round-robin basis. The score will stand at the end of regulation time. There will be no extra time for matches ending in a draw.
- c. Quarter-final, Semi-final and Final Rounds.
 - i. All matches at these stages will be played on a knock-out basis. Should a match result in a draw at the end of regulation time, extra time will be played.
 - ii. Such extra time shall consist of periods of five (5) minutes "sudden death" play-off. There will be no break in between the periods and teams will change ends immediately. The team which first kicked-off the match will do so again in the "sudden death" extra-time.
 - iii. The "sudden-death" rule shall apply as follows. The first team to score during extra time will be declared the winner and the game will end.
 - iv. In the event of still no winner, "sudden death" penalty drop-kicks of up to three (3) kickers each team will be applied.
 - v. If a decision is still not reached, the winner shall be ultimately determined by the toss of coin.

7. Awarding of Points - Preliminary Round

Points will be awarded as follows:

WIN - Three (3) Points

DRAW - One (1) Point

WALKOVER - Three (3) Points

LOSS - Zero (0) Points

8. Official Playing Rules

The Tournament By-Laws are based on the International Rugby Board (IRB) By-Laws with seven-a-side variations of the game as adopted by the Malaysian Rugby Union. These by-laws will apply throughout the tournament, except the following:-

The number of players in the team will be seven (7). The number of players required in a scrum is three (3)

Sin Bin: If a player is sent to the "Sin - Bin" by the referee he must proceed immediately to the designated position at the Referees' Control Stand. He must remain stationary there for a period of two (2) mins. Only when present at the Referees' Control Stand will the period of two (2) minutes commence. Only the referee may authorise a return to play after a "Sin - Bin" period and only at the next stoppage.

9. Technical Zone Protocol

The Technical Zone Protocol as introduced by the IRB in May 2006 will be implemented during this Tournament.

- During a game, other than the team's registered players, each participating team is allowed two (2) representatives (Team Manager and Coach) operating from their Technical Zone.
- No additional people are allowed in the Technical Zone.
- The medical personnel in the Technical Zone may enter the field of play in accordance with Law at any time a player is injured.
- Water carriers may only take water onto the field during stoppages in play for injuries in the playing area and when a try has been scored and at no other times.
- Water carriers must remain in the Technical Zone except when providing water as detailed above.
- Water bottles must not be thrown onto the field.
- All personnel in the Technical Zone must wear a bib / vest for identification purposes and must not wear a shirt similar in colour to their team.
- The fourth official will manage the Technical Zone and will report any indiscretion to the match referee. The match referee may caution

the offender or expel them from the playing enclosure. Any offender may be reported to the Disciplinary Committee for investigation and further action.

- Replacement players and all other team officials other than those in the Technical Zone must remain seated on the replacement bench.
- Replacement players are only allowed to warm up before they enter the field in a designated place set further back from the field of play than the replacement bench.

10. "Home" & "Away" Teams

These terms are used in a game should there be a clash of jersey colours. In this situation, the "Home" team shall have to change its jerseys to a set of acceptable colour.

11. Protests

All protests must be submitted in writing through Team Managers to the Tournament Director within thirty (30) minutes of the end of the game during which the matter of the protest occurred. Verbal protests will not be entertained. A protest must be submitted together with a deposit of RM100. The deposit will be returned if the protest is upheld. Should the protest be overruled, the deposit will be forfeited.

12. Appeal & Disciplinary Committee

- a. This Committee shall hear all appeals and decide on disciplinary action for the duration of the Tournament. The Tournament Director shall be co-opted at any hearing of the Committee but shall have no vote.
- b. Players or Team Officials reported for misconduct or sent off the field shall have their cases considered as soon as possible by the Committee.
- c. Any player who is sent off the field shall be automatically suspended for one (1) game and the Committee shall determine his further participation in the Tournament.
- d. Any player that receives more than one (1) Yellow card in the Tournament shall be automatically suspended for the subsequent game. The Committee shall determine his further participation in the tournament.
- e. The quorum for the meeting of this Committee shall be three (3) members:
 - a) Tournament Director
 - b) Technical Director
 - c) Independent Team Manager

Disciplinary action taken by the Committee shall only apply for the duration of the Tournament. The Committee shall report the actions taken to relevant bodies for any further review.

13. Interpretation of Tournament Rules

The Organising Committee reserves the right of interpretation in the case of doubts arising from the wording of any rule. It shall also have the right to decide on any situation that is not covered by the rules and such decision shall be final.

14. Trophy Ownership and Responsibility

- a. The NJ Ryan Trophy (Tournament Trophy) remains the property of MCKK/MCOBA and cannot be won outright.
- b. The winning team shall receive the Trophy and a replica, but will have to return the Trophy to the Organising Committee before they depart for home.
