NJ RYAN'S TROPHY

Going into the third edition of the Malay College Kuala Kangsar (MCKK) Premier 7s Rugby Tournament, we can look back at the last two editions with some satisfaction. From the outset this tournament has become the main schoolboys rugby sevens tournament, thanks to the promotion and the diligence of those members of the All Blacks Revival (ABR) in their quest to make this gathering a premier masterpiece of a tournament.

On the home front, the number of boys taking up the game competitively has increased significantly. As a recreational game, touch rugby has also gained popularity among the fringe players. On that note, the MCKK Premier 7s has significantly achieved both MCKK's and ABR's objective of reviving and sustaining the popularity of rugby among the boys. Even those with a passing interest, including the teachers, now understand better the intricacies of the game's rules and regulations.

In the first two tournaments, our close ally, the Vajiravudh College (VC) of Bangkok, provided the international 'flavour'. This year we are expanding and in addition to VC, we also welcome the international participation of Brunei International School and the Hong Kong Sports School. This will no doubt increase the competitive level of the tournament. The local competition will be provided exclusively by schools that have achieved a significant level at the state level. The people of Kuala Kangsar can look forward to a great festive of rugby.

We are grateful to many quarters that had made, and will make, this Tournament in Kuala Kangsar one to be remembered. We are thankful to DYMM Pemangku Raja Perak for consenting to host a dinner for everyone involved. Other than the exploits on the field, this is one experience all the boys will cherish for a long time. The various Heads of

Departments of the Local Authorities also deserve special mention for the many forms of assistance accorded.

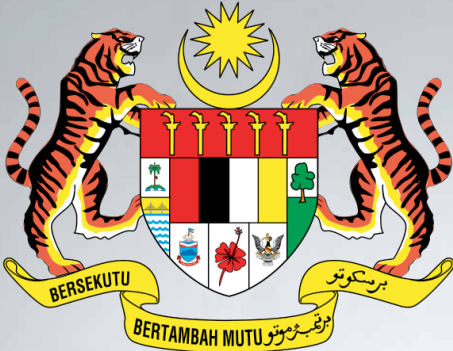

It goes without saying the contributions provided by the members of the ABR and the teachers of MCKK. We must also acknowledge the support provided by Telekom Malaysia and all the sponsors.

Let the Games begin, and let sportsmanship be the victor.

The 3rd edition of the MCKK Premier 7s Rugby Tournament was held on the 22nd to 24th February 2013 at the MCKK rugby grounds. The tournament saw 24 teams – including those from Singapore, Brunei, Hong Kong and Thailand – compete during the three day event which started on Friday.

The organisers again managed to organise the tournament with success, with the participating teams displaying the highest quality of schools rugby 7s thus reaffirming the tournament as the premier and benchmarking schools' rugby event for the country.

Host Malay College Kuala Kangsar (MCKK) All Blacks ended Tunku Mahkota Ismail Sports School's (SSTMI) reign to steal the coveted NJ Ryan Trophy to win the MCKK 7s Premier rugby tournament. MCKK All Blacks prevailed over Selangor state champion, SMS Hulu Selangor (SEMASHUR) 19-7 to win the title for

the first time. The Man of The Match Award was presented to MCKK's Mohd Shahmi Abdul Shukor. The NJ Ryan Trophy was presented by DYAM Raja DiHilir Perak, Raja Jaafar Raja Muda Musa.

SSTMI's two-year domination (2011 and 2012) came to a halt after failing to reach the Cup quarterfinals in the biggest upset of the tournament. SMKA Sheikh Othman Abdul Wahab (SHOAW), the 2012 Cup finalist, suffered the same fate as SSTMI.

International newcomer Hong Kong Sports School (HKSS) dominated in the Plate category to hammer SMK Sultan Yahya Petra 1 (SSYP1) to win 46-12. MCOBA President Tan Sri Megat Najmuddin bin Dato Seri Dr. Hj. Megat Khas presented the prizes to the winners in this category.

Nonetheless, SSTMI found redemption to emerge victorious in the Bowl category after they down

Tunku Abdul Rahman School (STAR) 33-28 in sudden death.

SMK King George V (KGV) won the Shield competition in a tight contest against Putrajaya's Sultan Alam Shah School (SAS), 15-12.

The 3rd edition of the MCKK Premier 7s Rugby Tournament was a success, providing truly exciting weekend of rugby of the highest school standard for every one present. MCKK and MCOBA would like to thank all sponsors, participating teams as well as everyone involved for the three spectacular days' show of a rugby tournament.

One of the Premier Sponsor's benefits is that their corporate logo will be displayed on the attire at a prominent location. In total, there were 750 t-shirts worn by various people each day during the 3-day tournament.

An Official Tournament Merchandise booth was setup selling various tournament souvenirs and apparels to commemorate the event. This was one of the main attractions of the tournament as most merchandise were sold out by the end of the event.
